GFB Industrial Screwdriver Bits

IMPACT FORCE

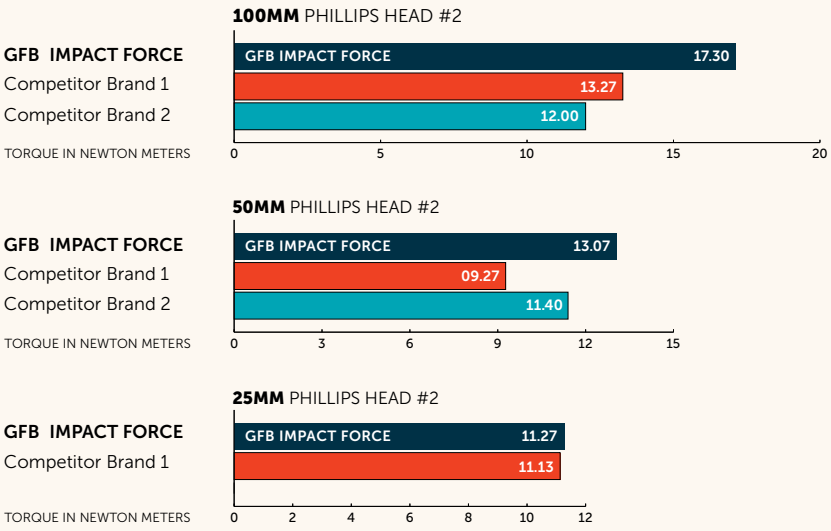

Used in Aviation | Used in Solar | Used in Security | Precision Design | Magnetic

GFB **Industrial Tough** bits are manufactured with a unique process whereby the steel is tempered twice under high intensity heat, which makes the bits stronger and last longer. GFB driver bits undergo a **more vigorous testing** as opposed to other brands – more numerous spot checks means better quality control. GFB screwdriver bits are manufactured to the highest specifications as required by top-line industries such as **Aviation, Solar Fitting and Security**.

- Industrial Tough
- Unique Tempering Process
- Lasts longer
- Manufactured to the highest specifications
- Used in Top-Line Industries

Testing 'Industrial Tough'

GFB Torque Testing against Competitor Brands

GFB drill bits are regularly tested against competitor products. GFB use a Torqueleader testing kit which measures the level of torque (in newton meters) at which a drill bit fails. In our tests, GFB typically out performs the two closest competitor products.

Note that this was not conducted in laboratory conditions – it is an internal testing procedure.

IMPACT FORCE

Products labelled as **BP** are available as individual bulk barcoded packaging

GFB Nutsetters

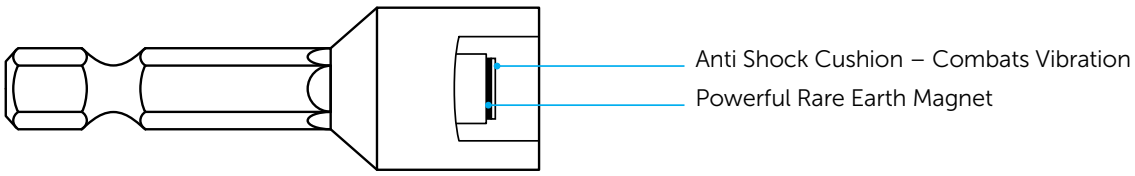

GFB Industrial Tough nutsetters are specifically designed & manufactured to Australian conditions. Rare earth magnets have been used, which means that they are stronger and last longer than standard magnets. GFB nutsetters have a registered design incorporating an anti shock cushion to combat vibration and preserve the integrity of the magnet.

GFB/TD-50RV Extra long handle	2500KG	11m	50mm	9313234055465

HOW IT WORKS

The Ratchet mechanism is designed to be pulled down when securing a load, (not up, like a conventional Ratchet) this action is a lot less taxing on the arms & body, especially when securing a load above your head. Specially designed "Reverse Action" Ratchet.
The design also features an extended handle for extra leverage and an ergonomic grip for extra comfort.

Super Bungee Straps

Camping & Recreation
